

February 24, 2026

Dear Patient,

I hope this letter finds you and your family in good health. After much thought and consideration, I have decided to transition my career outside of NormanMD to pursue other opportunities. My last day seeing patients with NormanMD will be **Friday, April 3, 2026**.

Our records indicate that your child had a NormanMD visit with me sometime in the last two years. Per Texas Medical Board rules, I am required to inform you of my departure. This will not impact or change your child's current access to their NormanMD plan.

It is very important to me that your child maintains continuous health care. Your child's medical records from any visits with me will remain with NormanMD. NormanMD's system allows your child's records to be accessed online or via web application and ensures that all doctor notes and medical records will be available for their future care.

Thank you for entrusting me with your child's health and allowing me to care for them.

Sincerely,

Rebecca Kim, MD, FAAP
